Report reflecting Source's reflections of his state of mind at the present time.

Portion on Borghese:

Prince Junio Valerio BORGHESE is in Buenos Aires at this time.

From there he sent his wife (living in Florence with her children) a long letter in which he told her that he had had separate offers by members of the Italian Monarchist Party and of the neo-Fascist Movement (MSI) who want him to head their party, making promises of position and honors if they are successful.

BORGHESE intends to refuse both offers, being fed up as he is with his political experiences. He intends, instead, to take over a job as technical director of an Argentine shipbuilding complex whose guest he is at the present time.
